30 Bright, Bold and Colorful Kitchens

When it comes to choosing kitchen colors, you can't go wrong with classic white or traditional wood tones. But if playing it safe isn't your style, consider one of these saturated shades.

Purple: Inspired by Vino

The wine lovers who own this home had several pictures of favorite Italian vineyards in spaces adjacent to the kitchen, so designer [Connie Rabias-Sbarboro](#) chose a glass/tumbled marble backsplash with lots of purple tones, and painted the walls Benjamin Moore's "Tropical Dusk," a vibrant grape shade. The rich wood cabinetry enhances the room's Tuscan feeling.
